TAKEAWAY

We are incredibly grateful for all the support that our wonderful guests have given us over these difficult past few months. Our dedicated, hardworking team and suppliers are what make our business and we want to do whatever we can to support them.

- To select a collection timeslot and place your order please click the **“Order for takeaway”** button and follow the steps on the booking page of our website.
- Our takeaway service will operate from 4pm-9pm, 7 evenings per week.
- Orders must be collected from Ox and Finch, we’re not currently able to offer a delivery service.
- Orders will be prepared for collection in 15 minute time slots to enable us to serve guests safely and efficiently.
- Dishes will be served ready to take home and eat (not like the finish at home meal kits we did in July).
- When collecting an order please wear a face covering, use the hand sanitizer provided and respect physical distancing.
- Common allergens have been listed for each dish on our menu. Due to the nature of the takeaway service and having to pivot our operation at short notice, unfortunately we won’t be able to make any amendments to menu items.
- Like most things at the moment, menus and operating times are subject to change.
